LAMISIL USAGE INSTRUCTIONS

Lamisil 250 MG one tablet daily

1. Get initial blood work for a baseline liver function test. A lab slip was provided for you.
2. Your doctor will call you once we receive your results and let you know that it is ok to start the Lamisil.
3. Fill the prescription (only \$10.00 at Wal-Mart) and start taking the Lamisil. You will receive a 90-day supply, you are to finish all the medication.
4. **Six (6) weeks** after starting the Lamisil, you must get another blood test to recheck your liver functions. A lab slip was provided for you.
5. Make a follow up appointment to be evaluated at the office one week after the second blood test.
